Subject: Willamette needs to be cleaned and working waterfront needs support

I want to make sure the river cleanup is good for the environment and jobs.

The amount of wages generated by companies in the Portland harbor help so many families put food on the table. We all support a clean Willamette River but it's also crucial that the cleanup is flexible and not be so expensive that it threatens local jobs.

Please do what's right for the harbor workers and the families who depend on those jobs.

Sincerely,
